This gorgeous MILLED log home sits out on a point, surrounded on three sides Rainbow Lake, with 460 feet of lakefront property on a float plane lake! This home has been meticulously cared for and the owners have given their heart to landscaping this beautiful property. With several decks, retaining walls, building up land around the home, tree clearing and access to the lake with mountain views!

Sellers have installed a whole house auto-switching 7K generator that runs 15 minutes every week, to ensure a successful startup when emergency hits! They installed gutters from the garage and they divert all water to the lake. They have a small ditch that diverts water away from the home to the lake as well. They have a lake pump that is used to irrigate the lawn and plants in summer when needed. The lower deck they added is structurally built for a hot tub.

The garage is 5 1/2 SE. It is very deep, has a 1/2 bath. Could park two smaller vehicles tandem. They built a 10x20 storage shed and a "cho" shed as
